Explanation for completing the form

1. Please complete the form clearly and in print or typewritten;
2. Expense items for the renovation must be brief and clearly defined;
3. Reference may be made to an appendix in which work, materials and costs are specified. For example: "new kitchen, see appendix".
4. Do not use terms such as: "to be further specified", "other", "miscellaneous". The lender will in that case still ask for a specification;
5. Enter amounts based on whole numbers, i.e. no decimals behind the comma;
6. The total amount must be exactly equal to the sum of all amounts declared;
7. If you have already received a financing plan for the mortgage from your adviser, the total amount must correspond to the agreements made with your adviser regarding the cost of renovation;
8. The total amount must moreover correspond to the statements made by the appraiser in the appraisal report in respect of the cost of renovation;
9. Your signature is required on the form;
10. Please send the form to us through our secure portal.
